The Genesis of the English Edition

The Sarah Women of Genesis English Edition traces its roots to a concerted effort by biblical scholars and translators aiming to render the stories of Sarah accessible to a modern Anglophone audience. Initiated in the early 21st century, the edition emerged from collaborative projects involving theologians, linguists, and literary scholars seeking to balance scriptural fidelity with contemporary readability.

This edition is distinguished by its attempt to contextualize Sarah?s story within both ancient Near Eastern culture and modern feminist discourse.
