- **2 Kings 20:5:** The healing of King Hezekiah through God's intervention.

These scriptures highlight God's willingness to heal and His authority over health issues.

- Mark 5:34: Jesus tells the woman who touched His garment, "Daughter, your faith has healed you."

The annotations explore how faith acts as a conduit for divine power and the importance of trust in God's timing.

Healing as Salvation

Not necessarily. The biblical accounts show that healing is sometimes immediate, other times gradual, and not always in the way humans expect. Annotations address questions about unanswered prayers and divine sovereignty.

Why do some believers experience healing while others do not?

This complex issue involves faith, God's will, and spiritual maturity. The edition explores biblical examples and theological insights to provide clarity.
